RULES AND REGULATIONS

-General Information-

Rules and regulations of the Southeast Ferry System will be applicable unless otherwise specifically stated.

Vehicles will not be accepted for loading after 30 minutes prior to departure time.

The M/V TUSTUMENA is limited to a maximum length not to exceed 40 feet for any single vehicle. The legal highway weight limitations will apply. Overwidth vehicles are subject to a 50% penalty.

The M/V CHILKAT is limited to a gross weight, of a single vehicle or combination of connected vehicles, not to exceed 14 tons, nor shall the overall length exceed 60 feet.

For reservations or further information write to either P. O. Box 66, Seward, Alaska - telephone CA 4-5485 or P. O. Box 1361, Juneau, Alaska - telephone 586-5385

THE ALASKA FERRY SYSTEM ---
NEW LAND - SEA ROUTE TO ALASKA

SOUTHEASTERN FERRY SYSTEM. - Now you can take one of Alaska's large ferries through the beautiful "Inside Passage" from Prince Rupert, B. C., to Skagway, Alaska, and drive off at either end of the route to continue your trip by land.

What's more, you can stop off at Alaskan ports, such as salmon-famous Ketchikan, the scenic towns of Wrangell and Petersburg, the capital city of Juneau, the Gold Rush town of Skagway, and Haines, where a highway leads to the State's interior. In the summer, the ferries call at these ports six days a week, each way. During June, July and August the ferries stop four times a week (two stops each direction) at historic Sitka, the capital when Russia owned Alaska. For the rest of the summer season there are three stops (two stops one direction and one the other). You'll enjoy exploring these cities, taking side trips to fjords and glaciers, or fishing and hunting in a land that is truly a sportsman's paradise.

A one-way trip takes about 30 hours, excluding the portion to Sitka, which adds approximately 14 hours.

Each ship can carry 500 passengers and 108 cars - they resemble cruise ships but are in reality deluxe ferries. Each has a dining room, snack bar, cocktail lounge, staterooms and airplane-type reclining chairs. Authentic Indian legends are depicted in the decorations.

SOUTHWESTERN FERRY SYSTEM. - The new M/V TUSTUMENA has opened some of the most beautiful scenery in Alaska to the traveler. The ports of call are Anchorage, Homer, Seldovia, Kodiak, Seward, Valdez and Cordova.

This vessel accommodates 200 passengers and 35 passenger vehicles; offers stateroom, lounge and dining facilities; and is equipped with an elevator for loading vehicles.

The M/V CHILKAT makes two round-trips a week between Valdez and Cordova. This ferry carries 59 passengers and 15 automobiles. Since this is a daytime trip which requires only eight hours, there are no sleeping accommodations. Light lunches may be obtained during the trip.

RULES AND REGULATIONS
General Information
SOUTHEASTERN FERRY SYSTEM

GENERAL - Each ship carries 500 passengers, 108 standard size autos and provides 100 berths.

Schedules are printed in, and ships operate on, Pacific Standard Time. During the summer months Prince Rupert, B. C., and the British Columbia ferries use Pacific Daylight Saving Time which is one hour ahead of Pacific Standard Time. Example: The Alaska State Ferry departure time of 9:00 AM P.S.T. = 10:00 AM P.D.S.T. Arrivals and departures are listed for Skagway, Haines and Prince Rupert. Arrival times are listed for all other ports and in-port time, except at Sitka, is only long enough to unload and load. In-port time at Sitka is approximately 2½ hours because of tidal conditions, departure time is announced upon arrival.

Meals, berth fare, stateroom fare or limousine fare is not included in regular passenger fare. All fares are quoted in U. S. Funds and payable in U. S. Funds or the Canadian equivalent. The State reserves the right to refuse passage to any person apparently under the influence of drugs or alcohol or whose conduct makes him objectionable to other passengers.

VEHICLES - Autos must enter the proper staging line at embarkation port to insure debarkation at proper destination. It is unlikely that, once loaded, vehicles can be unloaded short of destination. Limited access is permitted to vehicles enroute. Vehicles carrying propane gas stoves, and like apparatus, must place all shut-off valves in the "off" position while on board. Unattended vehicles will not be accepted unless the owner or his agent provides evidence that loading and unloading will be accomplished promptly. The State does not provide drive-on or drive-off service. The State will charge a \$25.00 fee when, through necessity, State employees must disembark an unattended or inoperative vehicle. Vehicles connected or single are charged on overall length including overhang. Excess penalties are charged on single unit vehicles over 40 feet in length, connected vehicles over 60 feet in length, and any vehicle over 8 feet in width. Contact the Division of Marine Transportation regarding charges on oversize vehicles.

PASSENGERS - All passenger loading and unloading is via the car deck. Check-in time at Skagway, Sitka, Haines and Prince Rupert is 30 minutes before departure time. At other ports, check-in time is prior to arrival time.

LUGGAGE - Foot passengers are limited to hand luggage only. Luggage carts are provided from the terminal to the car deck. The passenger is responsible for placing his luggage on and taking his luggage off the cart. The State does not provide a luggage handling service nor is luggage checked on luggage tags. Luggage lockers are provided on the car and promenade decks. No limit is placed on luggage or articles carried in vehicles provided that extended loads will be used to compute the tariff applicable.

STATEROOMS AND BERTHS - Each ship provides: 14 deluxe rooms - 2/berth (upper and lower) with shower, toilet and washbasin; 12 semi-deluxe rooms - 2/berth (upper and lower) with toilet and washbasin; 12 standard rooms - 2/berth (upper and lower) with adjacent facilities. Single berths may be reserved on a share basis. If single occupancy of a stateroom is desired, both berths must be purchased. In addition, there are 6 standard 4/berth rooms (two upper and two lower) with adjacent facilities. These are reserved as a unit only.

TICKETING - Passage tickets should be purchased on a through basis. There is no charge for stopovers. If stopovers are desired, stopover coupons will be issued by the agent or purser. Berth tickets are sold on a port-to-port basis only - one continuous trip. There is no reduction on round trip fares.

RESERVATIONS - Reservations are required for berth or stateroom space. Your request should include first, second and third choice of travel date, type of room, number in party and ages of passengers under 12 years. Reservations are not required for passengers without vehicle. Reservations for autos are recommended during the summer. For further information contact the Division of Marine Transportation, Box 1361, Juneau, Alaska, telephone 586-5385.

ANIMALS - Household pets and animals are transported on the car deck only. They may be carried in suitable containers, in vehicles, or suitably restrained on the car deck and cared for by their owners. Pets or animals will absolutely not be allowed above the car deck. A health certificate not older than 12 months is required for dogs entering Canada or the United States. Check with your veterinary. The right is reserved to refuse transportation to vicious or unattended pets or animals.

CUSTOMS - Crossing the U. S. - Canadian border is made without difficulty. No passport is required. Naturalized citizens should carry documentary evidence of citizenship. Alien permanent residents should carry their alien registration card. Hunters may enter rifles and shotguns for sporting use only, by special arrangements with Customs at port-of-entry. Side arms are not permitted in Canada. Motorists are cautioned to check with their insurance company regarding evidence of liability coverage for entry into Canada.

FERRY

Reservations. Advance reservations for auto and passenger space and staterooms may be requested from Reservations, Division of Marine Transportation, Juneau, up to 2 weeks prior to sailing date. (Large tour groups must make advance reservations.)

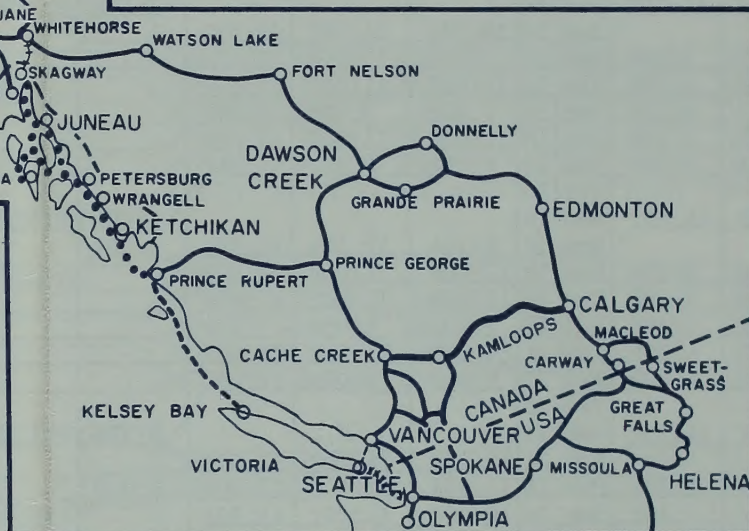

Motor Vehicles. Generally speaking, a vehicle of any size that may be driven legally on a national highway without special permit will be taken on the ferry. (Exception: See Southwest Ferry Regulations.) Vertical openings on the ships are 13.6 feet. Before boarding, drivers must indicate the port at which they plan to disembark.

Baggage. There is no limit to the amount of baggage that may be transported in cars and trailers on the ferries. Foot passengers may bring hand luggage. Coin-operated storage lockers are available aboard ship.

Facilities. Ship-to-shore radio-telephone service is available 24 hours a day for emergency use. Electrical current on board is 110-volt, 60-cycle, AC. There are facilities for refrigerating and heating baby foods.

WHAT TO WEAR

Informality and comfort are the rule in Alaska. To be prepared for the varying types of weather you'll find in different parts of the state, bring a raincoat and perhaps another light coat for cool evenings, summer wear for warmer areas, comfortable walking shoes, informal sports clothes, and one dressy outfit (not formal) for evenings in the larger cities. Remember to bring your camera and binoculars.

BORDER INFORMATION

If you live in the U. S. and will be traveling through Canada in connection with your ferry trip, you will not need a passport or visa. Native-born U. S. Citizens will need proof of residency or citizenship (birth, voter's or baptismal certificate, or driver's license). U. S. residents who are not citizens should take alien registration cards. Naturalized citizens should carry their naturalization certificate or their U. S. Citizen Identification card, Form 1-197, obtained from U. S. Immigration and Naturalization Service. Canadian customs officials will require automobile travelers to show proof of sufficient funds for the trip. Motorists may be asked to show their Vehicle Registration Card or proof of title and proof of liability coverage in the event of an accident. (Your insurance agent will provide you with the proper "pink card".)
